The draft approved by the Secretary was issued. Vide Govt Pro. No. 643-4 Muzt. 14-93, dated 6th August 1904

In reply, the Deputy Commissioner now states that the grants of only two institutions in his District, viz the Kodi Pranadevaru temple at Chitaldrug and the Anjaneya temple at Guntanur, which were in receipt of a monthly allowance of Rs 0-5-10 and Rs 0-7-7 respectively, have been stopped owing to the discontinuance of puja in them but that apart from the contingency that these allowances will have to be restored to the institutions in case the puja is revived in them, the total of these grants falls short of the required sum of Rs 2-8-0 and therefore strongly recommends that as the temple under advertence has been recently finely built by the said Subba Sastru

Muzrai Secretariat. File No. of 190

and as worship in it depends entirely on Govt. help, the allowance of Rs 2-8-0 temporarily sanctioned from the Annathanam at Chitaldrug may be continued to the temple. He adds that an average saving of Rs 37 odd is effected in the Chathram Jasdik, and if the allowance now recommended is also sanctioned, there will be left nearly Rs 35 which, he states will be sufficient for the travellers. He further states that there are already two Nethini vacancies carrying allowances amounting to nearly Rs 5/- from which at least the allowance now recommended to the temple may be sanctioned. Sir,

I have the honor to submit herewith Kannarese correspondence ending with the 2nd Assistant Commissioner's No 525 dated 16th June 1901 re the grant of paditara to the Sivalaya temple built by one Subbasastri at Parasuramapura, a frontier village of the Chellakere Taluk.

2 I visited this temple last year when I conducted the Jamabandi of the Chellakere Taluk. It is a neatly built and well ventilated temple with a spacious Verandah for travellers to put up. This Sastri has also sunk a well close by for the use of the public; and this, I was told, has a good Spring.

3. Subba Sastri is a very pious Vaidika pandit; but he has no means to Endow the

the temple with funds or lands for perpetuating the worship & prayers for Government & for present, for the daily puja to Sri Chintamaneeswara Swami Naikanahalli, one piece of rice together with half an anna for Conveyance, is being granted from the Bommagondanakere, Annachatram in the Malkalmuru Taluk; as the Assistant Commissioner recommends that a similar allowance of one Seer of rice and half an anna per day may be sanctioned for this temple also, from the Chatram at Chellakere.

4. The name of the village Paramapurapura suggests to one's mind the existence of some ancient temple, but in reality it is not so. I would strongly urge that the allowances recommended by the Assistant Commissioner may be granted for the upkeep of this Institution.

Sir,

With reference to your docket No 579/24-93 dated 29th August 1903, requesting to report whether Government orders have been obtained to close the Chabram at Hangal in the Molkalmuru Taluk, for the purpose of accumulating funds for its repair, I have the honor to state that the Chabram at Chitaldrug having no sufficient funds of its own to meet the cost of the newly Constructed Chabram, it was proposed to utilize the Combined Savings of this Chabram and that of the Chabram at Hangal, since the latter building was in a dilapidated condition and beyond repairs, firstly for the Construction of

of the Chabram at Chitaldrug and later on for the construction of a new Chabram at Hangal; and this proposal was sanctioned, as a special case, in Government proceedings No. 563-4 / Mucz 734-94 dated 22nd November 1898.

2. The Chabram at Chitaldrug is complete and funds are available for payment of the remaining amounts due to the Contractor, and a separate report will be made as regards the construction of a new Chabram at Hangal since funds will also be available for the purpose.

The vernacular records received with the docket under reply are resubmitted; and I request that sanction may kindly be accorded to the issue of the rice dole for the temple built at Parasurampur from the Anna chabram at Chellakere for the present till the Hangal Chabram is re opened to travellers.

From the correspondence read

sum of Rs 17 a month is left for
feeding the bona fide travellers
resorting to the Chattram at Challakere

The Recommendation of the Dy Comr is to grant an allowance of half a seer of rice and ½ pie per diem to the temple at Parasuramapuram will take away nearly Rs 2a month from the small amount available for feeding.

2 The Govt are not therefore in favor of creating new allowance from Chattram funds for such purposes as it will drain the resources of the Chattram which are needed to feed the bona fide travellers. They therefore regret that the Deputy Commissioner's recommendation cannot be approved.

An allowance of one seer of rice with condiments per diem is already being given from this Chattram to the Sri Lakshmi Narasimha Swamy and other temples at the place and the same volume of food for bonafide travellers cannot be reasonably utilized for any other purpose.

Sir,

With reference to the orders conveyed in the Government proceedings No 3077/muz 724-03 dated 7th April 1904, declining to grant an allowance of half a seer of rice and 3 pies per diem to the Eswara Temple built by Subbasastri at Parasurampur in the Chellakere Taluk from the Muzrai Annachatram at Chellakere, I have the honor to state that the order has been duly conveyed to the petitioner. He now prays for the grant of an allowance of one seer of rice and 6 pies from the Muzrai Annachatram at Chitaldrug. The Amildar reports that

of

of the Nehimidars that are paid from the Chabram there are two vacancies (one was getting 1/2 a seer and a monthly cash allowance of Rs 1-13-6 and has died the other was getting 3/4 th Seer for being a minor, which has ceased on his attaining his majority) There is thus a saving of Rs 37 or so every month out of the sanctioned scale of Rs 57-6-0 for the Chitaldrug Chabram. The petitioner is a man of no means and has experienced great difficulty in raising the funds necessary to build the Eswara temple in the Parasurama-pura Village in the Chellakere Taluk This institution has had the advantage of a personal inspection by the Dewan Sahib The petitioner has now left that place for want of means for his livelihood; and without some such help as is now applied for, the Conduct of puja in the temple will become impossible

Under these circumstances, I request the sanction of Government as a special case to grant the petitioner, as proposed by the Amildar, a cash allowance of Rs 3/- per mensem to be met from the allowance

to the said Chatram. At the rate of 1/2 a seer of rice and 3 pies per diem, as already recommended, the monthly approximate value would be Rs 2 1/2

Sir,

With reference to Government Order No. 643-4 dated 6th August 1904, sanctioning tentatively for one year the grant of an allowance of Rs 2½ per mensem from the Savings of the Anna Chattram at Chitaldrug to one Subba Sastry for the benefit of the Eeswara temple he has built at Parasarampur in the Chellakere Taluk, and enquiring whether there are any forfeited allowances available from which the grant to this temple may be sanctioned, I have the honor to state that from the reports

received

received from the General Accountant of this District it is observed that a sum of Rs 0 13 5 only — 0-5-10 of Kodi Vijaya Swami at Chitaldrug and 0-7-7 of Anjaneya Swami at Gunturmane in the same Taluk — is available, the puja of both the Deities having been discontinued. Even if this sum of Rs 0-13-5 be utilized for the temple in question there remains Rs 1-10-7 to be granted for which no other forfeited allowances are found available but as these may have to be revived, should worship be renewed in these temples, it is desirable if the allowance is sanctioned to be continued from the Anna Chattram at Chitaldrug which is not likely to cause any inconvenience to the public. There will be an average monthly savings of Rs 37 and odd which leaves, after payment of this allowance, a sum of nearly Rs 35/- which is sufficient for the branches. Besides this grant creates no new nehame from the Chattram as there are already two vacancies reported in this office letter No 15 dated 8th July 1904 (one was getting

getting ½ a Seer of rice and a monthly Cash allowance of Rs 1-13-6 and he has since died, the other was getting ¾ Seer for being a minor which has ceased on his attaining his majority). The approximate value of the above two cases comes upto Rs 5/- out of which Rs 2/2 may be kindly sanctioned for the temple in question. The circumstances requiring the favorable Consideration of Government have been fully Explained in this Office No 15 dated 8th July 1904.

2. As the conduct of the worship in the temple entirely depends upon the help to be given by Government as already reported the Sabha having raised funds for building the new temple with great difficulty I would strongly and respectfully solicit the Sanction of Government to continue the payment of the allowance of Rs 2/2 per mensem from the Savings of the Anna Chattram at Chitaldrug for the benefit of the temple in question.

Mus. F 24-93

dated 6th August 1904, sanctioning provisionally for one year an allowance of Rs 2-8 0 per mensem from the funds of the Annathanam at Chitaldrug, for the benefit of the Easwara temple built by Subba Sastri at Parasuramapura in the Chellakere-Taluk, and enquiring if there were any forfeited Paditara or other allowances of any temple in his district from which the allowance could be sanctioned

And,

Letter No 602, dated

2.VI.05
Issue

3rd May 1905, from the Deputy Commissioner, Chitaldrug District

— " —

Order thereon :—

No. 4627
Jud. F24-93
DJ 10.6.05.

In the letter read above, the Deputy Commissioner reports that ~~a~~ the grants of only 2 institutions in his District, viz the Kodi Ramadevaru temple at Chitaldrug and the Anjaneya temple at Guntanur, which were in receipt of a monthly allowance of Rs 0-5-10 and Rs 0-7-7 respectively, have been forfeited owing to the discontinuance of puja in them, but that, apart from the contingency that these allowances will have to be

restored to the Institutions concerned
in case puja is revived in them,
the total of their allowances
falls short of the required sum
of Rs 2-8-0 and therefore strongly
recommends that the ~~proportional~~ allowance
sanctioned minimum in the Govt Pro:
read above, may be continued
either from the balance of the
Vasdik grant of the Anna
Chattram at Chitaldrug
without prejudice to it
or from the savings of the allowances of
two Nehimi vacancies in
the roll of the said Chattram.

2. Under the circs
represented, the Govt are
pleased to direct the
continuance of the allce
of Rs 2-8-0, sanctioned in the Govt Pro: of the 6th Aug 04 read above to the Easwara
temple built by Subba Sastri

at Parassuampuram, from
the funds of the Annadhanam
at Chittalduy. The Nekkar allowances
reported to be vacant should
not be filled up
